Our Burbank kids deserve  
**THE FINEST  
ARTS EDUCATION  
POSSIBLE!**

Since our founding in 2006, Burbank Arts for All Foundation has raised hundreds of thousands of dollars in support of visual, performing and media arts programs in Burbank Unified Schools.

But, in this ever-challenging world,  
**OUR JOB IS JUST BEGINNING.**

By becoming a member of Burbank Arts for All Foundation, you can help make a difference in the lives of our children—and in the future of our community.

**IT'S A FACT:  
ARTS EDUCATION LEADS TO  
INCREASED ACADEMIC SUCCESS  
AND SOCIAL DEVELOPMENT**

## ARTS TODAY

We provide significant funding to our schools twice yearly. Examples of what we have supported over the years include:

- Media arts labs
- Musical instruments
- Theatre, Vocal Music and Dance instruction
- Animation and Photography
- Innovative Technology like 3D printers
- Teaching artist series for English Language Learners
- Clay, pastels or kilns for Visual Arts curriculum
- Creative projects in Math, English or History courses

And our community engagement programs help connect parents, artists and business leaders throughout each year in support of arts education and Burbank's creative economy.

## ARTS FOREVER

We believe the arts are transformative for kids. Burbank Arts for All Foundation's ultimate goal is to grow our Endowment to be capable of funding arts education programs for generations of kids to come. To give to our endowment or donate a planned gift, contact [info@burbankartsforall.org](mailto:info@burbankartsforall.org)
