

2011 MEMBER LEVELS & BENEFITS

Our Mission

To ensure every student in Burbank public schools receives a quality arts education as part of their core curriculum.

Our Background

Founded in 2006, **BURBANK ARTS FOR ALL** is a communitywide alliance of Burbank business leaders, municipal partners, educators, parents and art supporters. To date, our 501(c)3 nonprofit foundation has awarded over \$76,000 in grants to visual & performing arts programs in Burbank public schools.

How You Can Help

For the kids in Burbank schools, the arts act as an important part of their core curriculum, yet with budget cuts and lack of funding the arts are marginalized or too costly to fully implement. Your donation to Burbank Arts for All, ensures these vital programs can continue to flourish and grow in our schools ... making a difference in the lives of every Burbank student.
